

# 2017 Seafood Champion Awards

*Recognizing outstanding leadership in promoting environmentally responsible seafood*

Seafood Champions can be individuals or organizations from industry, government, media or the nonprofit sector involved in seafood.

What they have in common is outstanding dedication to promoting seafood sustainability.

## SCHEDULE

### **Nominations open:**

October 3, 2016

### **Nominations close:**

December 3, 2016

### **Finalists announced:**

Seafood Expo North America, Boston  
March 19-21, 2017

### **Winners Announced/ Awards Ceremony:**

SeaWeb Seafood Summit, Seattle  
June 5-7, 2017

## CONTACT

Marida Hines

Seafood Champion Awards Manager  
[mhines@seaweb.org](mailto:mhines@seaweb.org)

## Nominations close December 3, 2016

*Nominate someone today! Here's why:*

**LEADERSHIP • INNOVATION • ADVOCACY • VISION**

**4** award categories recognize the diversity of contributions by individuals and organizations promoting responsible seafood

Seafood Champions are suppliers, fishers, chefs, business leaders, nonprofits, and other leaders active in all seafood sectors and geographies.

## WORLDWIDE RECOGNITION

**161** countries are involved in the Awards through nominations, judging, or actively following the Awards

Receiving a Seafood Champion Award provides seafood leaders with a platform to promote their stories and the issues they care about to an international audience of industry and consumers.

## HOW TO NOMINATE

**2** simple steps: Read the guidelines, then fill out the 2017 Seafood Champion Awards Nomination Form

Do you know a seafood sustainability leader whose work deserves to be rewarded? Nominate them for a Seafood Champion Award at [www.seafoodchampions.org](http://www.seafoodchampions.org).
